We pray for those who have waited for years for the dawn...

those for whom hope seems dim...

those whose morning brought the unexpected...

those struggling to adjust to new realities...

those whose fires have grown dim...

those who are ignoring the signs of the times...

those who are struggling to keep awake...

Amen.

### 3. Messages from the Leaders

- We discussed the restrictions that will be in place after the national lockdown ends. We took into account the views that had been passed on to us and decided that the majority of our congregation do not want to come to the building due to health worries, concerns about transport or feeling that the service won't be the same if we have to wear masks and cannot sing. It was felt that although the Zoom services are clearly not ideal, they do allow us to get together virtually and we can sing along. We will continue with the Zoom services through December and review the situation again at the start of January. We are going to explore the possibility of arranging some outdoor singing or witness with other churches that might be interested. Please do share your views about the services or options you would like us to explore.
- The Leaders will be distributing the offering envelopes shortly but please be aware that Jane has altered the numbers so that we are more cost effective! She has a record of the new numbers so if you use Gift Aid it will still be recorded.
- We have obviously been unable to have a Church meeting during the pandemic. The Leaders are taking decisions prayerfully and are asking for your views on important decisions, such as re-opening the building. We could organise a meeting using Zoom- if you would like this to happen then please contact any Leader.
- Thank you for the donations sent to Jane for BMS after our service with Joy Ransom, which amounted to £115. Ali has not been able to collect the missionary boxes as usual. If yours is full and needs to be collected, please contact her.
- Julie ordered some books entitled "A Christ-messy story" to pass round the congregation. These are in the process of being distributed.

Julie has sent this message about: **HOPE**

After an extremely challenging year in 2020, there is comfort to be found when we pause to read, pray, and reflect over the course of the Advent season, in which we eagerly anticipate the celebration of Christ's birth. The first Sunday of Advent gives us the opportunity to centre our thoughts on **hope**.

It's a chance to remember the hope God offers to our world, and that He's given us through Jesus.

In his book "Soul Fuel" the adventurer and explorer Bear Grylls says:-

"Whenever we find ourselves wondering how we are going to get through the tough times, the answer is found in where we look for our hope. Being hopeful is much more than mere wishful thinking. Because of what of what Christ did for us, we have total confidence in being full of hopefulness. And because of the way the Holy Spirit works, there's a constant source of hope being nurtured and tended deep inside us."

In the Bible it says:-

May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit. Romans 15:13

Thank you to Ian and Steve for overseeing all the maintenance work over the last few months. Steve has repainted the coffee lounge and the ceiling in the Church, where the re-plastering has been done. The wall outside the Church is in the process of being re-pointed- this should be finished this week.

#### 4. Weekly Challenges

Some examples of the challenges from the CofE Advent calendar, which you can find on our website under Countdown to Christmas.

“Some people will be sad that they can’t go to a carol service. Make a poster of your favourite carol to put in the window to cheer everyone up.”

“Pour a glass of water. Add a teaspoon of mud to it, stir and place it in your kitchen. In some parts of the world children only have access to water like this. Each time you see your glass today, pray for agencies like Water Aid, trying to bring clean water to children across the world.
